In joining the Children's Choir, the parent(s) assume the following responsibilities:

1. **Bring their child(ren) to rehearsal faithfully at least 80% of the time by 3:30 and pick them up no later than 4:35. St. Theresa School students will be brought to Extended Care at that time.**
2. **Bring their child(ren) for services as directed. This is usually 30 minutes before Mass. We realize this takes a "family effort," but late arrivals disrupt the level of preparedness for the singers.**
3. **Help as you are able:**
 - **We are required by the diocese to have another adult (besides the Director) present at all times.**
 - **We'd like to go Christmas caroling and have some parties. Your help would be appreciated.**
